*Large Selection of
Christmas Trees!*

If you happened to join us last year for our Christmas weekends, you know it was magical! If you haven't enjoyed a country Christmas, Vino style...you must check it out for yourself.

On select days throughout the holiday season, bring the whole family...Pick out your fresh cut Christmas tree in our farmers market and enjoy a sleigh ride or hayride around the vineyard. Warm up by heaters in the pavilion which is enclosed for the festivities.

Visit with Santa and Mrs. Claus or sit by the fire and sing along with choirs singing all the traditional Christmas songs! We will have our famous brick oven Pizza's and Italian Nachos along with hot Chili to enjoy by the fire.

Pick out your favorite Vino in the Valley wines or gifts in our gift shop for your holiday parties. Plan your Christmas outing with family and friends this December for Christmas at Vino in the Valley!
